Dear Dr. Burns:

At their December 2020 meeting, the directors of the National Architectural Accrediting Board reviewed the application for candidacy for the Belmont University O'More College of Architecture and Design.

As a result, the proposed professional architecture degree program, **Bachelor of Architecture**, has been accepted as eligible for candidacy. A virtual visit for initial candidacy has been added to the visit list for fall 2021. This visit will be conducted under the provisions of the NAAB *2020 Conditions for Accreditation* and Section 5 of the *2020 NAAB Procedures for Accreditation*.

The Architecture Program Report (APR) for Initial Candidacy is due in the NAAB office six months before the date of the visit. The format and content of the APR is described in detail in Section 5.

On behalf of the NAAB, thank you for your support of accreditation in architecture education.

Very truly yours,
